

HERE ARE A FEW THINGS THAT ALVES PUPILS HAVE SAID ABOUT OUR SCHOOL ...

The very best thing for me out of all the great things we get to do here, was when Scottish Opera came because I really liked taking part.

The best part was when we all got dressed up as animals, scientists, tourists and a tribe. We had a dress rehearsal for the show in the afternoon before we put on a special performance for our parents. I'm sure they all really enjoyed it. I will really miss everyone at Alves Primary when I move to secondary school in Forres.

Lindsey

I have only been at Alves Primary for 4yrs now but the one thing that has stuck in my mind was when we went to the Elgin Museum. That was when we were doing our project on the Victorians.

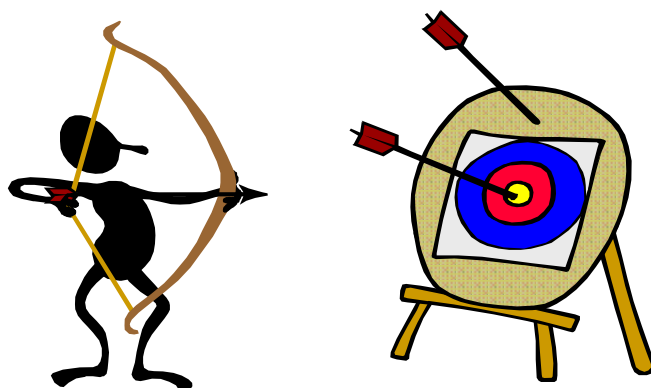

I really enjoyed it because it had all these really old and cool artefacts such as a mummy of a Peru Princess which was about 10,000yrs old! The mummy was also very delicate and we weren't allowed to touch it. They also had some old house hold objects from the Victorian times such as an old iron kettle and an old rusty iron! I will never forget the amazing experience!

Jordan

One of the things which I thought was great when I was a pupil at Alves was when we went on a trip to Loch Park outdoor centre near Keith. At Loch Park we did 4 different activities which were archery, canoeing, gorge walking and a rope walk.

My favourite activity had to be the gorge walking. In the gorge walking we had to walk through a river, climb up small waterfalls, be dunked under a waterfall and go under water to find coins. The whole day was great fun and was definitely one of the best days at Alves Primary. and I would just like to say Alves rocks !!!!!!!!!!!!!!!

Greg

There are lots of things that I have enjoyed at Alves Primary one I would pick out was when P7 went to Inverness to see a rock concert. It was really cool because we saw lots of bands and singers such as Bell's Boys, Pacific Avenue and the best one, Lil' Cris!

Probably all of you will get to experience the thrills of this concert which was all about making the right choices for life.

Ella

My favourite time at Alves was the Alves elections and my speech, even though I was nervous and came 2nd in the Alves election vote. I've only been at Alves Primary a few months but I can say this. Alves primary is the best school I've ever been to. When I first came here I felt really welcomed and happy. I'd like to thank all the teachers and pupils in my class for helping me fit in. I wish I had come to Alves earlier.

Joel

One of the things I really enjoyed while at Alves Primary was the class trip to Loch Park. Everyone got to go for the day instead of staying at school and doing work. I remember being told we would be doing four activities. It was a really fun day and everyone got really wet (mostly by jumping out of the canoes).

My favourite activity was Gorge walking where you got really wet and got to put your head under the waterfall. I have really enjoyed my time at Alves Primary since I came in P4 but it will be nice to move up to the Academy and I am really looking forward to it!!

Alex

I have chosen to tell you about a football tournament because I played my very best in that tournament!!! In 4 games I only let in 1 goal against Buckie. We won all of our games except 1 and we only lost by 1 goal. We played four different teams and we played Burghead twice!

I really enjoyed my day out playing football and I am very glad that I went. At the end of the day we all got a wallet and a badge for taking part. The best part of the day was saving all of the goals!!! I was very chuffed with myself that day!!! Though I did get sunburnt!!! Thank you to everyone from the teachers to the pupils for making school so fun!!

Laura

This is one of the things that I remember most from my time at Alves Primary. When I was in P1 the class went to Cooper Park in Elgin and we had a packed lunch there. We saw loads of ducks and we fed the ducks bread. We saw the boats with people in them. Afterwards we all went to the library.

Nathan

We used to go to the pantomime, and instead of us going to Eden Court we went to a 'Big Top' because the theatre was being renovated. I thought it was really cool. We always did lots of really exciting things as well as the work we did in class.

I've really enjoyed myself at Alves Primary and I'll miss everyone but I am also looking forward to going to the Academy. Thank you to everyone at Alves Primary for making my time here great fun.

Rachel

Out of my last 7 years at Alves, one thing sticks out in my mind and that was our day out at Drummuir. Loch Park is an adventure park with canoeing, gorge walking, a rope course and also archery. Our class did all of these things. My favourite activity had to be the rope course. In this activity we had to take a jug of water around the course without spilling a drop. It was really hard because we had to go over giant see-saws, climbing walls and lots more! The day was absolutely great and without a doubt it was one of my best experiences at Alves Primary !!!

Ruaridh

I'm going to tell you about one of my favourite events while I was at Alves Primary. It was 'Choices for Life' which was a concert at Inverness Sports Centre. It was all about making the right choices in life. At the beginning I thought it was going to be boring but it wasn't...

There were some pop groups and singing to keep everyone buzzing throughout the concert. We were shown some clips of people making the wrong choices in life and we were given encouragement to make the right ones.

The Bells Boys performed and my favourite singer, Lil Chris. He was amazing! I didn't expect him to perform there. When he walked out on to the stage my mouth dropped open and I was speechless. It was amazing watching him in a live performance because I am a fan of his and he's really famous!

At the end we got goody bags as we left, but I really wanted to go back stage and get Lil Chris's autograph, though I couldn't. That day really sticks out in my mind.
